

Legacy Athletic Institute

Enrollment Information and Application Process

Legacy Athletic Institute admits students who demonstrate academic readiness and a commitment to the dual demands of rigorous coursework and athletic training. Admission is selective and requires completion of the following steps:

Application Steps

1. Complete the official Application for Admission (available from the school office or website).
2. Submit official transcripts or report cards from the most recent school(s) attended.
3. Submit standardized academic test results or school-administered placement assessments when requested.
4. Complete an interview with the Director of Education (and, when applicable, athletic staff).
5. Provide any required medical clearance, immunization records, and emergency contact information.
6. Sign the enrollment contract and Parent & Student Handbook acknowledgment.

Full-Time Enrollment

Students are expected to enroll as full-time students and to follow the published academic calendar and daily schedule. Part-time or dual-enrollment arrangements require prior written approval from the Director of Education.

Transfer Students

Transfer credits are evaluated individually. Students must complete a minimum number of credits at Legacy Athletic Institute (as stated in Graduation Requirements) to receive a diploma from the Institute.

NCAA Eligibility Awareness

Prospective student-athletes and families are informed during the enrollment process of NCAA initial-eligibility requirements. The school maintains an active High School Portal account and works with students to track core-course progress.
